This is a screen shot of a Google spreadsheet created to use with students when they have done their animal research. Use it as a guide to make your own. When you have created the spread sheet and the students have added data, select “chart” and Google will help you create a graph of the data that can be used for graphing practice.

	A	B	C	D	E	F	G	H	I	J
1		north america	south america	antartica	asia	europe	australia	africa		
2	Larger than the lion									
3	Large than the dog "Laborador retriever" and smaller than the lion.									
4	Smaller than the red fox
